HISTORY OF THE STATE ELECTION COMMISSION

The State Election Commission became a separate state agency on January 1, 1969. It had formerly functioned as a division of the office of Secretary of State. It was the feeling of the General Assembly that voter registration and the administration of elections were matters that should be removed from possible influence of partisan, elected officials and placed under the custody of a nonelected, bipartisan board or commission. By the law which created the Election Commission, it was required that the Commission be composed of at least one member of the majority political party represented in the General Assembly and at least one member of the largest minority political party represented in the General Assembly.

The State Election Commission operates under authority granted by 1968 Act No. 955, which is codified as Title 7, Section 3-10 et. seq., of the 1976 South Carolina Code of Laws, as amended.

ORGANIZATION OF THE STATE ELECTION COMMISSION

I. ADMINISTRATION

The functions of the Election Commission are administered by a five-member commission, which meets monthly in Columbia, and by an executive director who is chief administrative officer of the agency. Policy, procedures and rules governing the various functions of the Commission are set by the election commissioners and carried out by the executive director. The executive director employs and maintains a competent working staff to assist him in carrying out his duties. During statewide general election years, it is necessary to employ additional personnel in order to carry out the increased responsibilities of the Election Commission at that time.

The Election Commission also considers and recommends changes in the Registration and Election laws to the General Assembly.

II. CENTRAL VOTER REGISTRATION SYSTEM

The Election Commission is the coordinating center of South Carolina's computerized system of voter registration. All forty-six (46) counties report new registrations and registration changes to the Central Office, where a computer file is built and from which are printed new lists of registered voters for every election that is held in the State: statewide, countywide, municipal or other. This system is responsible for removing from the rolls of voters those persons who have died, moved, been convicted of certain crimes or otherwise become ineligible as electors. In this regard, reports must be obtained from other federal, state and local agencies and compared with the computer files. Detailed records and statistics are maintained on the number of registered voters in each county and precinct of South Carolina. Also, a voter history file is maintained on every election held in South Carolina. Biannually, voters who have failed to vote in at least one election in a two year period are removed from the list of active voters and placed in an inactive file.

All forms and materials used for voter registration by the Central Office and the County Boards of Registration are printed and paid for by the Election Commission. The Central Office also provides, as a public service, the sale of precinct lists of registered voters at a reasonable cost to any registered elector.

III. AID TO COUNTIES

The Election Commission is charged by law with the responsibility of disbursing, to all counties, a state supplemental appropriation to aid in keeping the Board of Registration office open during normal courthouse hours. The amount received by the counties is based upon their respective populations.

IV. ELECTIONS

A. Office of Elections

The State Election Commission is the chief election officer for the conduct of general and special elections.

This office prints and distributes for statewide general election and countywide special elections all ballots, forms and other materials necessary to conduct such elections for Presidential Electors, State Officers, United States Senators, Members of Congress and Constitutional Amendments.

B. State Board of Canvassers

After the conclusion of state and county general elections, the five commissioners of the Election Commission act as the State Board of Canvassers. The Board certifies the results of elections and hears appeals and protests arising in such elections.

C. Educational Services

The State Election Commission conducts a comprehensive training program for election workers throughout South Carolina on a continuing basis and provides needed information to members of the public concerning election procedures in their State. A variety of election statistics regarding South Carolina's elections are also compiled and available upon request of interested individuals.

Educational Services conducted a statewide training program for poll Managers working in the 1980 General Election. This program was aired to the managers at selected sites throughout the State via in the Educational Television Network's closed circuit lines. Special telephone lines and talkback facilities provided by ETV were utilized to answer any manager's questions on the air. Almost all of the managers working in the General Election took part in this training program.

Charleston, Cherokee, Horry, Richland, Spartanburg, Beaufort and Greenville counties continue to implement their in-county poll manager training programs. Aiken, Anderson and several other counties are expected to begin year-round training in the near future. Educational Services will aid these counties in setting up their individual programs.

Educational Services also will continue to provide assistance and training to any county or municipality that requests their services.

MINUTES OF MEETINGS OF THE STATE BOARD OF CANVASSERS

STATE OF SOUTH CAROLINA)
) BOARD OF STATE CANVASSERS
COUNTY OF RICHLAND)

PRESENT: H. Ray Ham, Chairman; Margaret S. Townsend; Neal D. Thigpen; C. Tyrone Gilmore; Sylvia Schwartz; and James B. Ellisor, Executive Director.

The State Board of Canvassers met on November 13, 1980, at 10:00 a.m. in the offices of the State Election Commission.

Mr. Ham called the meeting to order.

One of the purposes of today's meeting was to order a recount of votes in the State Senate race for District#8, Seat#3, between Mrs. Norma Russell and Mr. Billy Caughman. The difference between the number of votes received by Mr. Caughman and Mrs. Russell was 736 which is less than 1% (920) of the total votes cast in this election. The news media and representatives of the candidates were present, and Mr. Ham explained the procedure for the recount and answered any questions regarding this.

Mr. Ellisor announced the time and place that the recount would be held in each county involved. The five counties were Aiken, Bamberg, Barnwell, Edgefield, and Lexington. He explained that the South Carolina Law Enforcement Division would deliver the ballot boxes at the set time and place in order that the ballots could be counted and that the candidates or their representatives could be present at that time.

Mr. Ham stated that a copy of the Order to be issued ordering the recount would be mailed to all parties concerned.

The second order of business was the certification of the results of the November 4, 1980, General Election.

Mr. Ham asked Mr. Ellisor if he was ready to present the canvass books. Mr. Ellisor explained that 31 of the 46 counties had submitted their canvass books and that the totals had been verified by members of the staff of the State Election Commission. He explained that the results would be certified subject to any protests that might be filed.

The Board then examined the Statements and Return of Votes for all offices and constitutional amendments from the following 31 counties and certified the results as complete and correct.

Abbeville
Aiken
Barnwell
Edgefield
Bamberg
Lexington
Anderson

Darlington
Dorchester
Georgetown
Horry

Mr. Ellisor informed the Board of two protests that had been filed, one from Colleton and Hampton counties and one from Greenville and Anderson Counties. He recommended that a date be set for these hearings in order that the parties could be advised of such. In the protest of Mr. James W. Fennell for State House of Representatives, District 120, from Colleton and Hampton Counties, a hearing was set for Wednesday, November 19, 1980, at 11:30 a.m. It was decided that the hearing for the protest filed by Mr. S. Welton Smith would not be set until the results of that election were received from Greenville County.

The next meeting was set for November 19, 1980, at 10:00 a.m.

There being no further business to be discussed, the State Board of Canvassers adjourned, and the Commissioners went into session as the State Election Commission.

Mr. Ellisor provided the results of the recount to the Commissioners. Mr. Ellisor explained that members of the staff of the State Election Commission were present for the recount in each county involved.

After examining the results of the recount, Mrs. Townsend made a motion that this election be certified. Mr. Gilmore made a second to the motion, and the motion was carried. Mrs. Russell was certified as the winner for State Senate, District #8, Seat #3.

The State Board of Canvassers then examined the Statements and Return of Votes for all offices and constitutional amendments from the following 15 counties and certified them as complete and correct:

Allendale
Beaufort
Calhoun
Charleston
Clarendon
Dillon
Fairfield
Florence
Greenwood
Jasper
Orangeburg

The certification letters to the Secretary of State were signed and the results will be submitted.

The next order of business was the discussion of protests to be heard by the State Board of Canvassers. Mr. Ellisor informed the Board that Mr. John Harper, attorney for the protestant in the House District 120 race, has requested that a continuance be granted in the hearing set for November 19, 1980, at 11:30 a.m. After much discussion, Mr. Gilmore made the motion that the hearing for this case be set for Monday, November 24, 1980, at 2:00 p.m. The motion was seconded and carried. Mr. Ham asked Mr. Ellisor to notify the parties and their attorneys of the new hearing time.

Another protest in the Piedmont Sewer, Light, and Fire District election for Commissioner was discussed, and a hearing date was set for November 24, 1980, at 9:30 a.m. Mr. Ellisor will notify the parties and attorneys accordingly.

Mr. Ellisor stated that the deadline for protests be filed was November 24 1980. He discussed some possibilities of protests and appeals that might be filed but have not been received by this office as of this date.

There being no further business to be discussed, the meeting was adjourned.

ORDERS AND DECISIONS OF THE STATE BOARD OF CANVASSERS

STATE OF SOUTH CAROLINA)
)   BEFORE THE BOARD OF STATE
COUNTIES OF GREENVILLE)   CANVASSERS
AND ANDERSON)

IN RE: Protest of S. Welton Smith,)
November 4, 1980, General)
Election for the Piedmont Sewer,)   ORDER
Light and Fire District)
)

The protestant S. Welton Smith, a candidate for Commissioner of the Piedmont Sewer, Light and Fire District in the November 4, 1980, General Election, filed a protest within the time prescribed by law on the following grounds:

1. The Notice of Election was not properly advertised sixty (60) days prior to the election.
2. That residents of the District in both Anderson and Greenville Counties were not able to vote for any of the Commissioners and stated that there were no ballots at the Simpsonville polling place in Anderson County.
3. That there were not sufficient ballots in the Greenville County precinct (Piedmont) and residents of the district did not get a ballot to vote in this election.
4. There were no maps available to show who lived in or out of the District.
5. There were not enough voting booths and voters had to sit in rocking chairs to vote.
6. People living outside the District voted in the election for Commissioners.

There were four candidates running at large for two seats in the Piedmont Sewer, Light and Fire District Election (hereinafter referred to as the District Election). The results were as follows:

	Dickson	Gilreath	Slice	Smith
ANDERSON	171	189	108	126
GREENVILLE	237	411	379	321
TOTAL	408	600*	487*	447

*denotes those candidates elected.

A hearing was held on November 24, 1980, before the Board of State Canvassers. The protestant was present and was represented by legal counsel. Also, present were Messrs. Curtis F. Gilreath, David L. Slice, and William M. Dickson, all candidates for Commissioner in the election. Mr. Gilreath was represented by legal counsel; Mr. Slice and Mr. Dickson were not. Section 7-17-270 of the S.C. Code of Laws, which authorizes the State Board to hear election protests, requires the Board to conduct the hearing in accordance with the procedures and rules of evidence observed by the circuit courts of this State. In civil matters in the circuit courts, the plaintiff or protestant has the burden, as the moving party, of proving his complaint by the greater weight or preponderance of the evidence. There is a presumption that the protested election was valid, and the protestant must overcome this presumption by the greater weight or preponderance of the evidence.

The Board finds the following facts relative to the respective grounds in the protest:

1. It was admitted by an official of the Greenville County Election Commission that the required sixty days notice of election was not given; however, there is no testimony or evidence to show that anyone did not get to vote for lack of notice. In fact, the testimony shows that notice was given as early as September 18, 1980, which was forty-seven days prior to the election and on three dates thereafter. The notice formerly required for this election under 1977 Act No. 277 was once a week for four successive weeks preceding the election. This is, at most, thirty days notice prior to the election. Therefore, at least seventeen days more notice was given for this election than in any previous election held for this office. Counsel for both the protestant and Mr. Gilreath were asked to state the rule of law in South Carolina on this question of notice; however, they stated that either there was no law in South Carolina on this question or they did not know of any such law. This is certainly not a novel question in South Carolina; it has been ruled on several times by our State Supreme Court. The rule established by this court as to general elections held on days fixed by law is that a Statute regarding notice is merely directory and not mandatory.*Phillips vs. City of Rock Hill, et. al.,* 188 S.C. 140 (1938). Failure to give the statutory notice will not of itself invalidate a special election if the time of holding the same is fixed by law, or where it appears that electors were

in fact informed of the time, place, and purpose of the election and generally voted for the candidates. The test for determining whether an election is invalidated for want of a notice prescribed by Statute was stated by the court as follows in*McKiever et.al. vs. City of Sumter, et.al.*,137 S.C. 266 (1926):

> ". . . whether, on one hand, the voters generally have had knowledge of the election and full opportunity to express their will, or whether, on the other hand, the ommission has resulted in depriving a sufficient number of electors of the opportunity to exercise their franchise to change the result of the election. . ."

From the poll lists introduced into evidence, the Board finds that almost seventy percent registered voted in the election for District Commissioners. There is not one word of testimony from anyone who did not vote for lack of notice; therefore, the Board finds the notice given was sufficient and did not in anyway adversely affect the result of the election.

2. The only witness who testified that he was entitled to vote for Commissioner because he lived in the district, but was registered in the wrong precinct (Simpsonville) in Anderson County where there were no ballots for the District Commissioner's election was Leroy Sanders. The candidates and Mr. Sanders testified that the Blossom Branch subdivision in Anderson County was inside the Piedmont Sewer, Light and Fire District. The evidence reflects that Mr. Sanders and his wife, who also wanted to vote in this District Election, were registered in the Simpsonville precinct outside the District and because of this they were not permitted to vote for the Commissioners. The candidates testified that there were fifty or sixty persons living in the Blossom Branch sub-division; however, there was no evidence introduced that any of these people were registered in the wrong precinct as were Mr. and Mrs. Sanders. It was obvious from the testimony that all the candidates were familiar with the Blossom Branch sub-division and they had access to the voter registration lists. If any of the other persons living in Blossom Branch were improperly registered and did not get to vote in the District Election, this fact could easily have been proved and such voters could have been called to testify.

There is a presumption that voters have been registered by the board of voter registration in the proper precinct. This board finds that the failure to present such voters to testify and the failure to call anyone from the Anderson County Registration Board or Election Commission to testify to the contrary enforces the presumption. The testimony of Mr. Sanders shows only that he and his wife were denied their right to vote in the District Election because they were registered in the wrong precinct where there were no ballots for this office.

3. There was testimony from Ms. Mary Jane McCarter that they ran out of ballots in the District Election at the Piedmont Precinct in Greenville County at 6:20 p.m. to 6:30 p.m. after she voted. She stated that her son waited until more ballots were brought in ten or fifteen minutes and then he voted in the District Election. She did not know if anyone did not get to vote who wanted to vote while they sent for more ballots. A poll manager working in the Piedmont Precinct, Loretta Ayers, stated on cross-examination that she did not know of anyone who did not get to vote who wanted to. There were no other witnesses who testified that they did not get to vote.

4. There was further testimony from Loretta Ayers that there was a map of the precinct and District on a sofa behind the managers' table. Although it may be preferred that maps be available in the precinct, there has been no showing that it is required. The board is not convinced that the fact that the map was on the sofa rather than on a wall or somewhere else in the precinct is fatal to the election.

5. The only evidence about voting booths was by the witness Seawright who stated that they were short of voting booths in the Piedmont Precinct in Anderson County; however, this did not prevent him from voting. The board finds there is insufficient evidence to reflect a shortage of voting booths so that people could not vote or that the results of the election were affected in any way due to this fact.

6. Seawright was the only person who testified that he was offered a ballot for the District Election and did not live in the District. He further stated that he did not vote the ballot before he put it in the box. The board concludes that there is no evidence which reflects any voters received a ballot and voted in the District Election who were not entitled to do so.

The only other evidence presented which in any way indicates voters did not get to vote in the District Election who were possibly entitled to was the testimony of Mrs. Nelle Power, Administrator of Registrations and Elections in Greenville County, and the testimony of the Protestant Smith. Mrs. Power testified that there were only fourteen voters, including the Protestant, who requested absentee ballots and were registered voters in the District. She said that only voters who specifically requested a ballot for the District Election were sent one for that office. They were only sent the regular presidential, state and county ballots. The Protestant was the only voter sent an absentee ballot for the District Election.

Assuming that all of the other thirteen voters who requested absentee ballots for the general election should have been sent a ballot for the District Election and they would all have voted for the Protestant, these thirteen votes together with the two votes of Mr. Leroy Sanders and his wife would not overcome the forty votes margin of difference between the Protestant and Mr. Slice.

In conclusion, this Board finds that, considering all the evidence in a light most favorable to the Protestant, he has failed to prove that the election should be overturned and his protest is, therefore, denied.

IN RE: Protest of James W. Fennell,)

ORDER

Hearings were held on the above referenced protest before the Board of State Canvassers on November 24 and November 25, 1980. John R. Harper, Esquire, represented the protestant, James W. Fennell. John E. Parker, Esquire, represented the other candidate in this election, Douglas E. McTeer.

After the presentation of testimony and evidence, the Board unanimously agreed to deny the protest and sustain the election. A letter giving notification of this decision was mailed to the attorneys of record and the candidates on November 26, 1980. This Order is to set out the reasons for sustaining the election.

The canvass of votes reflected the following:

	Fennell	McTeer
Colleton County	550	1,327
Hampton County	2,664	3,632
Total	3,214	4,959

Thus, Mr. McTeer received 60.68% of the canvassed votes, and the protestant, Mr. Fennell, received 39.32% of the canvassed votes. Mr. McTeer received 1,745 more votes than Mr. Fennell.

This Board finds that there were gross improprieties and irregularities in the conduct of this election in both counties. However, it is well settled that an election will not be overturned by errors that do not affect the outcome of an election. After carefully considering the testimony and evidence, this Board finds that the protestant, because of the large margin of victory of Mr. McTeer, failed to show that the gross irregularities affected the outcome of the election.

It is in the public interest that elections be held in such a manner that the validity of the result cannot reasonably be challenged. It is important that the following irregularities that occurred in this election are eliminated in future elections.

The security of the ballots must be maintained. To assure this, Section 7-13-420 (Code of Laws of South Carolina 1976), pertaining to the oath of the printer must be followed. In Colleton County, no oath by the printer of the ballots was made. In Hampton County, the name of the printer was signed by the wife of the printer after the printer was deceased, and said signature was not notarized.

It is essential that great care be given in following all election statutes so that an accounting of all ballots can be had from the time they are printed until after the votes are cast and canvassed. All ballots can be accounted for if the statutory safeguards are followed. If the proper number of ballots are printed, then a receipt is signed by the clerk of each poll for the number of ballots received, and then a proper Managers' Return of Ballots is completed by the manager of each precinct showing the number of ballots furnished, the number of ballots spoiled, the number of ballots voted, and the number of ballots returned, then an exact accounting for all ballots can be made as is required by State law.

In this election, because of the incomplete and improper Managers' Return of Ballots made in both counties, it is impossible to account for all the ballots. However, by comparing the number of voters who signed the poll lists with the total number of ballots cast in the election for State House of Representatives in Districts 120 and 121, it can be seen that there are not enough ballots not accounted for to make any material difference in the outcome of the election.

In both Hampton and Colleton Counties, booths were not provided as required by Section 7-13-740. To assure the secrecy of the ballot, it is necessary that both counties make provisions to provide the required booths.

There were many violations of election laws in this election. Section 7-13-120 was violated in that a candidate was a manager of a poll in Hampton County. A candidate helped canvass ballots, violating Section 7-13-110.

Statutes providing for the security and canvassing of absentee ballots must be followed. (S. C. Code of Laws, 1976, Section 7-15-410, et seq.) in this election, the absentee ballots were handled haphazardly. The absentee voting precinct should be organized and operated by the county election commission with only authorized personnel being used to receive, count, and tabulate all absentee ballots cast in the county. Care should be taken to see that when absentee ballots are received, they are placed in a ballot box or other place of security instead of being placed in someone's desk drawer. The absentee voting precinct should not be in any party official's office, but in the office of the election commission, which should be a public facility.

The role and use of "professional bystanders" to give assistance to voters is especially disconcerting to the Board. A bystander is a non-participant observer, or a chance on-looker. There was evidence in the hearing that bystanders violated the intent of the law by offering assistance to voters without those voters first being asked for such assistance. No statute provides for formalizing the role of a bystander with badges or other credentials.

The protestant, who is a petition candidate, objects that the form of ballot used in this election is not in conformity to Section 7-13-330, in that a circle or "O" under the word "Petition" opposite "Name of Office" was not included on the ballot, so that the voter could vote a straight ticket for petition candidates, such as when voting a straight party ballot. This Board finds that the instructions and the exact lay-out for the ballot as shown in Section 7-13-330 are directory, and not mandatory. *Redfearn v. Board of State Canvassers,* 234 S. C. 113, 107 S.E.2d 10 (1959). This Board finds that the ballots used in this election, both in the lay-out and instructions are reasonable and in substantial compliance with Section 7-13-330.

In canvassing the ballots, it is evident that where a voter had marked a straight party ticket, and then voted for the protestant individually by marking the square opposite the protestant's name, that there were differences from precinct to precinct on whether or not the vote was counted for the protestant. Approximately 50 ballots were marked in this manner. In accordance with the Attorney General's most recent opinion on canvassing ballots marked in this manner, the cross-over vote should have been counted for the protestant. However, it is clear that the counting of ballots marked in this fashion, even when combined with the other irregularities, did not affect the outcome of the election.

This Board is concerned with the conduct of this election. However, this Board does not find that the irregularities listed hereinabove were intentional. Rather, the irregularities are a result of the election being handled without the degree of seriousness given to the administration of an election which the law requires. Since the irregularities do not affect the outcome of the election,

IT IS ORDERED that the protest is denied and the election is sustained.

AND IT IS SO ORDERED.

LAW SUITS IN WHICH THE STATE ELECTION COMMISSION WAS A PARTY

Sims v Ham, et. al., South Carolina Supreme Court, Opinion No. 21313, October 9, 1980.

The suit was an appeal of the order of the State Board of Canvassers rendered in a protest hearing of the election for Orangeburg County District #5 School Board of Trustees held on April 8, 1980. The State Board invalidated the election on the grounds that the ballot voting instructions circumvented Section 7-13-1120 of the South Carolina Code of Laws 1976. The State Board ruled that the instructions, "vote for two, strike two," could have affected the outcome of the election by diluting the votes cast for the elector's choice of candidates as the voters were erroneously led to believe that they must vote for two of the candidates. They also found that the Orangeburg County Board of Education failed to give proper notice of the time and place of the election.

The Court affirrmed the decision of the State Board of Canvassers.

Allen v Ellisor, United States Court of Appeals for the Fourth Circuit, Civil Action No.75-1411. Decision rendered January 6, 1981.

This was an appeal of a decision of the United States District Court which had ruled that Section 7-5-120 (Proviso) (b) of the 1976 South Carolina Code of Laws was unconstitutional and impermissibly abridged the right of individuals convicted of certain crimes to register and vote unless pardoned.

The plaintiff alleged that the statute violated the equal protection clause of the fourteenth amendment in its designation of disqualifying offenses. He additionally alleged intentional discrimination on the basis of race in the enactment of the statute.

The District Court ruled that the statute was invalid under the equal protection clause. Having held the statute invalid on that ground, the Court did not consider the plaintiff's claim of racial discrimination

The Court of Appeals reversed the ruling by the District Court that the statute is on its face unconstitutional under the equal protection clause; however, it remanded the case to the district court for resolution of the claim of racial discrimination.

NOTE: On January 14, 1981, Governor Riley signed an Act amending Section 7-5-120 of the South Carolina Code of Laws. The section now reads:

"(b) Persons convicted of a felony or offenses against the election laws shall be disqualified from being registered or voting, unless such disqualification shall have been removed by service of the sentence, including probation and parole time unless sooner pardoned."

WORKSHOP FOR ELECTION OFFICIALS

On September 24, 1980, the State Election Commission held its fourth biannual workshop for South Carolina election officials. All members, clerks and secretaries of the respective County Election Commissions were requested to attend this meeting.

The workshop was held in an effort to bring all of the County Election Commissions together to discuss the upcoming general election. Sessions were conducted to bring the Commissioners up to date on changes in the election law, to stress administrative procedures necessary to the smooth conduct of elections and to discuss possible problems and common areas of concern.

There was a large turnout and an excellent response to the workshop. The State Election Commission plans to hold these workshops on a continuing basis.

EXPLANATION OF POPULAR VOTE

South Carolina is a member of the Presidential electoral college entitled to eight electors (one for each of its seats in the Congress of the United States–six Representatives and two Senators). Eight electors are elected in a Presidential election to cast South Carolina's votes for President.

The electors have already pledged their support to a given candidate before the election. The Presidential candidates' names are listed on the ballot at their request with the names of their eight candidates for the office of elector. In voting a straight party ticket or splitting his votes, the voter is actually voting for the electors rather than the candidate for President.

There is much interest in how many popular votes each candidate for President receives. There is a simple formula for figuring popular vote. The number of votes received by each elector for a candidate are added together and this total is divided by eight.

The popular vote for each Presidential candidate appears in our precinct results. Persons who are interested in the returns for each elector should contact the State Election Commission.
